**Pet Wellness Plans**

For most of us, our pets are a part of the family and we want them in our lives as long as possible. The most important thing we can do for them is to focus on preventative care. We understand it can be difficult to keep up with the costs associated with your pets' care. That's why we are happy to now offer wellness plans.

**Wellness Plans**

- Our wellness plans cover your pet's vaccines, two intestinal parasite screenings, yearly monitoring bloodwork, routine deworming and two wellness exams.
- Every plan is affordably priced and comes with the convenience of low monthly payments.
- Your plan comes with other great benefits like 50% off additional visits and free monthly nail trims!
- Looking for an affordable way to spay or neuter your puppy or kitten? We have you taken care of. Our spay and neuter plans allow your pet to receive the highest quality medicine possible while keeping your costs to a minimum.

### Prevention is the key to better health

Preventative care can help set the foundation for a lifetime of good health, so you and your puppy can spend more quality years together. It's essential for detecting diseases early on, before they become more serious—and more expensive.
